

JOB ANNOUNCEMENT

MISSION OF MERCY

Executive Director Maryland/Pennsylvania Program

Mission of Mercy, Inc seeks an energetic, committed person of faith to integrate his/her professional knowledge and skills to lead a mission oriented, faith-based, volunteer centered, health care ministry to poor and vulnerable families. We want a seasoned and experienced professional leader with a college degree and at least five years of management and fundraising experience.

We seek a person with very good communication skills, including excellent writing skills and experienced public speaking skills. We require a leader comfortable and able to work with diverse groups including individuals, civic clubs, church groups, community groups, health care professionals, and large foundations. We seek a director capable to creatively implement our extensive resource development plan to expand and stabilize the sustaining financial and volunteer resources necessary for our ministry in central Maryland and south central Pennsylvania.

We want a self starter able to work independently while building and sustaining a large volunteer team of volunteers. We desire a person competent to assume the primary leadership and management position responsible for the mission, goals, administrative functions, and fundraising for all operations in MD/PA including supporting a local advisory board.

We offer a generous salary and competitive benefit package including health insurance, life insurance, vacation and sick leave.

Founded in 1994, Mission of Mercy is an independent nonprofit 501 (c)(3), nonsectarian community-based organization that utilizes active and retired licensed medical professionals to provide free medical services and prescription medications to the uninsured working poor, homeless and economically disadvantaged people through mobile health clinics at diverse sites throughout central Maryland and south central Pennsylvania. Mission of Mercy provides all healthcare services regardless of race, color, creed, national origin or religion.
