

Mission Statement: *Mission of Mercy, a non-profit organization, seeks to restore dignity to all people by being an instrument of "healing through Love" and by the reciprocal sharing of God's mercy with those entrusted to our care.*

“It’s GRACE that’s brought us safe thus far and GRACE that will lead us home.”

Mission of Mercy is committed to the medically under served and to restoring dignity to the disenfranchised by providing free, quality mobile medical care to those in need of a helping hand. Mission of Mercy Mobile Medical Clinic serves the most vulnerable in our community by making primary health care and prescriptions available at no charge to the uninsured and working poor of Maricopa County. Since Mission of Mercy Arizona opened its doors in 1997, our cadre of over 240 volunteers have provided 112,700 patient visits to over 42,000 patients and dispensed more than 160,000 free prescription medications. At Mission of Mercy, we are committed to creating a community of healthy families making healthy choices.
