

## **NEWS ALERT – Hepatitis B Linked to West Virginia Dental Clinic**

Recent news reports have reported an outbreak of hepatitis B possibly linked to a dental clinic operated by an organization also known as Mission of Mercy located in Berkeley County, West Virginia.

Frederick, Maryland-based Mission of Mercy is **not affiliated** with that organization in any way. If you have concerns or if you visited a dental clinic in West Virginia in June of 2009 and fear that you may have been exposed, please contact the Berkeley County Health Department.

Our organization continues to provide high-quality medical and dental care to the underserved in Central Maryland and South Central Pennsylvania. Thank you for your continued confidence in our mission!
