Planned Giving: Individual Retirement Account (IRA)

Due to recent tax law changes, it may now be more beneficial for you to provide critical support for the Mission of Mercy through your Individual Retirement Account (IRA).

If you are 70½ years or older, you can make tax-free distributions from your retirement account to [Mission of Mercy Health Fund](#). You can donate up to \$100,000 each year without incurring income tax on your withdrawal - an efficient way to support a cause that matters most to you!

Benefits to You

- You avoid the income tax penalty on your distribution.
- You have the satisfaction of seeing your gift immediately support uninsured families in need of primary healthcare and prescriptions.

How It Works

You direct your IRA administrator to make distributions in the amount of your choice up to \$100,000 from your IRA directly to [Mission of Mercy Health Fund](#).

This Gift May Be a Good Fit for You If:

- You are over the age of 70½ at the time of your gift.
- You do not need all of the income from your required minimum distributions.
- You don't itemize deductions, or you do not meet the new deduction threshold.

Before completing any IRA distribution please consult with your tax professional.

If you have additional questions regarding whether this gift is right for you, please contact Blaine King at bking@amissionofmercy.org or 602.861.2233.
