

Free Mobile Medical Clinics

NOW ACCEPTING NEW PATIENTS

Do you or an adult you know avoid the doctor because you don't have health insurance or can't afford it? Mission of Mercy (MOM) offers free primary medical care and prescription medications to the uninsured. Many of our patients have chronic conditions like high blood pressure, hypertension and type 2 diabetes, and choose to make MOM their medical home.

We partner with our patients to get their health back on track!
