*Holly Hills Country Club* is nestled in the foothills of the Cactoctin mountains, and offers a wonderful opportunity to enjoy scenic views while tackling a challenging 18-hole course. It is located near downtown Frederick, MD, and a short drive from both Baltimore and Washington, DC.

*Since 1994*, Mission of Mercy has restored dignity and healed through God's Love by providing **FREE healthcare, dental care and prescription medications** to nearly 40,000 people in Maryland and Pennsylvania.

M.O.M.'s patients are uninsured and don't qualify for health assistance programs, or are underinsured and can't afford their high deductibles or expensive medications.

Many grateful patients tell us, "If it wasn't for Mission of Mercy, I'd probably be dead."
