Stop by the Mission of Mercy booth at the walk and see them mobile clinic.

About Us...

Our Pennsylvania/Maryland program's mission is to restore dignity and "healing through Love" at mobile clinics; providing free healthcare, dental care and medications to all we serve.

We do not receive government funding, so we are able to serve our patients without requiring them to prove their poverty. All funding is provided by private contributions from individual, churches foundations, corporations, work-place giving, service organizations and special events.

Mission of Mercy is a registered charity and 501 (c)(3) organization.
TAX ID # 86-0704883.

By participating in the Walk you will help us continue this life-saving work in the community. On behalf of our patients,
Thank YOU
for your support!
