2019 Golf Classic

Monday, June 10th
Holly Hills Country Club
Ijamsville, Maryland

Dear Friend and Supporter,

Thank you *very much* for sponsoring Mission of Mercy's Golf Classic in the past. Your support has enabled us to continue to provide, *for 25 years now*, free medical and dental services and prescription medications, as well as diagnostic, lab and x-ray services to those without access to healthcare.

We are happy to share that our 2019 Golf Classic will be held on **June 10th at Holly Hills Country Club**. We would sincerely appreciate your support again this year. Would you consider being a sponsor or purchasing a foursome?

We promise to have another terrific event filled with scrumptious food, great raffle and gift items, super golf and amazing golfers to enjoy your day with.

Attached you will find information on our sponsorship levels along with the benefit packages.

If you have any questions, please let me know by calling 301.682.5683 ext. 202 or emailing me at lryan@amissionofmercy.org.

You may also contact Kris Anderson, General Manager of Holly Hills Country Club, who is one of the newest members of the Board of Directors of Mission of Mercy. Kris may be reached by calling 240.674.2908 or by emailing him at krisanderson@hollyhillsgolf.com.

We look forward to hearing from you and many thanks again for your generous past support.

Gratefully,

Linda M. Ryan, M.S.
Executive Director

RESTORING DIGNITY SINCE 1994

For most of us, being sick is an inconvenience. For Mission of Mercy's patients, it's often a catastrophe!

When illnesses go untreated patients may miss days or weeks of badly needed work—or worse, lose their jobs!

Our patients are those who live and work among us every day, and we often are unaware of their individual suffering. They could be members of our families, parishioners in our churches, or perhaps volunteers within our community.

These are the **uninsured** and **underinsured** “working poor.” These are individuals who do not receive health insurance at work and don't qualify for Medicaid programs, or those who cannot afford their high-cost, out-of-pocket deductibles, co-pays and/or medications.

Our mission to restore dignity and provide “**healing through Love**” is at the heart of everything we do. Restoring dignity means not requiring our patients to prove their poverty in order to receive healthcare.

Since our mobile health clinic began serving patients in Maryland and southern Pennsylvania in 1994, we have provided Free healthcare and dental care services. We have:

- Treated over **43,950 individual patients**
- During more than **217,100 medical and dental patient visits**
- Provided approximately **403,430 FREE prescription medications**

Mission of Mercy does not rely on government funding we are supported by foundations, corporations, individuals and special events. For more information, please visit www.AMissionofMercy.org/Maryland-Pennsylvania/
