

Assistant Medical Director Mission of Mercy – Central Maryland

Opportunity for an experienced physician to practice in a faith-based mission-oriented health ministry using a proven mobile health clinic model staffed primarily by volunteers to provide FREE healthcare to the uninsured and poor.

The organization:

- Mission of Mercy, a charitable nonprofit organization, strives to restore the dignity of all people by being an instrument of “healing through Love,” and by the reciprocal sharing of God’s mercy with those we serve
- Has provided free healthcare services in the Maryland/Pennsylvania since 1994 (140,000 FREE patient visits)
- Is actively pursuing the expansion of its proven mobile healthcare model
- Has excellent support/mentoring from Medical Director
- Has over 250 healthcare professionals currently volunteer

The position:

- Assistant Medical Director (Part-time 20 hours/week or Full-time)
- Malpractice provided by organization (\$1MM/\$3MM)
- Direct patient care (Clinic is primarily an adult internal medicine practice)
- Work closely with Medical Director and Nursing Director to recruit volunteers
- Share responsibility to maintain on-site formulary
- Share responsibility for maintaining mobile clinic, patient records and volunteer training.
- Organization does not accept government support. No insurance forms. No pre-qualification of patients. No evening and week-end on-call responsibility. No hospitalization.
- Salary range from \$100,000 - \$115,000 (Full-time) plus competitive benefit package, including family health insurance, life insurance, 4 weeks paid vacation and sick leave

The candidate:

- Experienced clinician, MD or DO, in primary care discipline
- Interested in a faith-based mission-oriented organization
- Excellent communications skills, both written and oral
- Excellent skills working with volunteers
